FREMONT SCHOOL DISTRICT WELCOMES NEW SUPERINTENDENT & MIDDLE SCHOOL PRINCIPAL

Mr. William Lander is the new Superintendent of Schools for the 2009-2010 school year. Bill comes to Fremont after several years of work at the Milton and Wakefield School District (SAU 64) and he has experience as both an elementary and middle school principal. Among his objectives for Fremont are to provide motivational educational leadership, and to promote educational excellence as the Superintendent of Schools for students, faculty, staff, and parents throughout the Fremont School District. Bill is looking forward to meeting the citizens of Fremont and he encourages contacting the SAU office to set up a meeting time.

Mr. John Safina is the new Middle School Principal at Ellis School. John joins us after working at the Rochester School District. John is energetic, comfortable in a middle school setting and passionate about education.

We would like to welcome Bill and John to Fremont and we are optimistic for the future of the Fremont School District. We are confident our Administrative Team of Bill Lander, John Safina and Dawn Lewis will nurture and guide our staff and students along the path to success.

FREMONT OLD HOME DAY SERVICE

Fremont's 131st "Old Home Day Service", sponsored by the Fremont Universalist Society, will be held on Sunday August 16, 2009 at 11:00 am in the Old Meeting House at 464 Main Street. People of all denominations are welcome and encouraged to attend. The Reverend Janet Bowering of Plaistow, NH will officiate and Louis Santucci of Epping, NH will serve as the organist. There will also be special music by the Grace Notes, an acappella singing group. There will be a Social Hour with refreshments at the Ellis School following the service.

In 1873 Miss Sarah A Chase left a sum of money, the interest to be used for holding a series of meetings each year. In 1878 this fund became available and on April 11th of that year a group of citizens met in the Old Meeting House and organized The Fremont Universalist Society for the purpose of carrying out the provisions of Miss Chase's will. The services were held in the Democratic Hall for many years and then, for a time, in the Union Church. That church was destroyed in the great fire of 1921. Since that time, the services have been held in this "Old Meeting House".

The Universalist Society membership has diminished over the years to near extinction. If you are interested in helping to continue this important all-denomination annual event, please consider joining the Fremont Universalist Society. The Members meet once

a year in the spring to organize the "Old Home Day Service" at the Old Meeting House that is always held on the third Sunday in August. For more information contact Universalist Society President Kim Andrew at 734-2555.

MOSQUITO SEASON

The State of NH has just begun testing mosquito pools. Mosquitoes are now full grown, active, and biting. Use caution when outside and wear appropriate clothing and repellent!

More information on EEE and WNV, along with precautions, information, etc, can be found on the State website at www.dhhs.nh.gov. You can also call the state hotline at 1 866 273 6453 with questions.

If necessary, Fremont may undertake spraying at the outdoor fields and town's public parking lots later in August. The most up to date information, if spraying becomes necessary, will be available on the Town's website at www.Fremont.nh.gov on the Health Department page.

DRIVEWAY PAVING PERMITS

Before any driveway is paved or resurfaced, approval is needed from the Road Agent. Grading and drainage issues need to be checked before any pavement (new or replacement) is installed. New driveway construction also requires a permit from the Town. The Driveway Regulations, new driveway construction permit, and the driveway paving permit are all available on the Town website at www.Fremont.nh.gov on the Road Agent page.

Driveway permits and an inspection are also required when installing or relocating your driveway. Contact Road Agent Guerwood Holmes at 300 7429 for more information.
